If you would like us to accompany you as a undertaker and/or in a ritual, but your request is not to be found in our price list, we calculate based on an hourly rate of 105 € (incl. taxes).

Each accompaniment is unique and requires different amounts of time and resources in the various steps. The way we work is based on giving everyone the support they need. The basic amount shown above covers the average working time that we need for a funeral. Please decide based on your financial self-assessment whether it suits you to pay the basic amount or a solidarity amount that helps finance the burials of people for whom the basic amount cannot be paid.

Effective **February 20th 2024**. For a burial, the prices that are valid at the time of the assignment apply.
